AUGUST BELMONT TO ADD TWENTY YEARLINGS TO HIS RACING ESTABLISHMENT.

Only Four of the Nursery Stud Crop of This Year Destined for Shipment Abroad—Seven to Go to the Sales Ring.

Lexington, Ky., August 17.—According to information received at the Nursery Stud this week, Chairman August Belmont of the Jockey Club has decided to send only four of his yearling thoroughbreds to England. Seven have been listed for sale at the Kentucky Sales Company's auction here September 4, 5 and 6, and the remaining twenty are to be shipped to Belmont Park about September 1 to be broken and handled by trainer Feustel. Superintendent Ed Kane said yesterday that it had not been positively decided which four would go to England, but Yuba Bill, a son of Fair Play and St. Eudora, will be one of the number. The others in all probability will be sons of Rock Sand. At the same time these are shipped three or four broodmares will be sent to the Belmont establishment in France in order that their foals, to be dropped next spring, will be eligible to all events on the French turf. The seven that have been ordered sold are Quick Heels, b. c, by Hastings—Queen of Trent; Sun King (half-brother to Souvigny), b. c, by Fair Play—Souveraine; Single Stick, b. c, by Singleton—St. Agnes; Oktabenna, ch. f, by Rock Sand—Octoroon; Robinetta, b. f, by Fair Play—Retained H.; Disparity (half-sister to Winning Widow), br. f, by Singleton—Dissembler and Blue Bonnets, b. f, by Hastings—Blue Jacket.

The riding of jockey Walter Andress at the Blue Grass Fair races this week excited favorable comment. This boy is under engagement to Will Woodard for the remainder of the season and his improved riding is due in a great measure to the pains that Mr. Woodard has taken in instructing the lad. He has been trying to ride with short stirrups—the Tod Sloan style—when Woodard explained to him that his legs were too long for that. Andress began riding with his stirrup leathers about three inches longer and the effect was beneficial. He quit bouncing about on his horses and is now able to control them perfectly.

Mr. Woodard has two Cherokee Indians in his stable crew. One is a rubber known as Honeygal, and the other is James Yearling, who is an exercise boy with a fair chance of making a good rider. Yearling is sixteen years old and weighs only seventy-one pounds. Mr. Woodard says he expects to ride him in races next year.

COUNTING THE HORSES AT LEXINGTON.

Lexington, Ky., August 17.—Superintendent James Ross of the Kentucky Association, made a count of the horses in training here for the fall meeting. The number on the grounds is 170 and there are applications for stalls for 142 more, making a total of 312. Secretary Shelley expects the number to be increased to about 375 or 400. The program book for the first seven days of the meeting came from the press today. It is a typically Shelley book and that means satisfaction all around.

John S. Barbee has sold three of his Glen Helen Stud yearlings for good prices. Frederick Johnson, of New York, gets the sister to Helen Barbee, by Peep o'Day—Lady Bramble, and a chestnut colt by Peep o'Day—Freyja, while W. T. Anderson bought the chestnut colt by Woolsthorpe—Carlotta C.

George M. Odom has closed a deal for the racing qualities of Charles W. Moore's two-year-old McGee colt, White Heather, and the youngster has been shipped to him at Louisville.

The showing of the breeding classes for thoroughbred horses at the Blue Grass Fair today attracted a good crowd, but the rings were the poorest seen here in years, particularly as to numbers. The awards follow:

Stallion—G. D. Wilson's Stalwart, first; O. A. Bianchi's Bearcatcher, second.

Broodmares—S. C. Lyne's Pirate Polly, first; Harry Stanhope's Baltimore Belle, second.

Weanling colt—C. W. Moore's Hastings—Josie L. colt.

Weanling filly—Harry Stanhope's Alloway—Rosey Dimple filly.

Broodmare and foal at heel—Harry Stanhope's Baltimore Belle and foal, first; S. C. Lyne's Pirate Polly and foal, second.

Yearling filly—G. D. Wilson, with Stalwart filly.

Yearling colt—F. D. Knight, with Cesarion colt.

Aged Stud—O. A. Bianchi, with Bearcatcher and Resignation II. and Viola B.

Two under two years old the get of stallion—G. D. Wilson, with two Stalwart weanlings.

Major F. A. Daingerfield, member of the Kentucky State Racing Commission, who has been in the Johns Hopkins Hospital at Baltimore, for several weeks, wrote to his family in a letter received today that "his improvement is such that Dr. Garaghily thinks he may be able to come home on a furlough for six weeks."

LAUREL PARK'S GOOD STAKE OFFERING.

Ten stake races—of which nine have added money of from $1,500 to $2,500, and one is of the guaranteed value of $5,000—is the pleasing bill of racing fare tendered for the consideration of owners and trainers by General Manager and Racing Secretary H. D. Brown to be run in the course of the October meeting at Laurel, Md. There is one thing to be justly said about H. D. Brown and that he is not in the least afraid to offer liberal money to be run for, a course that might very well be emulated by some of the racing organizations of the present day, that do not give one half of what they should. Taking them in the order of their value, the ten stakes, which close for entries Monday, September 2, are the following:

For Three-year-olds and Over.

American Grand National Handicap, $5,000 guaranteed; 1 1-8 miles.

Baltimore Handicap, $2,500 added; 1 1-16 miles.

Washington Handicap, $2,500 added; 1 1-8 miles.

Maryland Inaugural Handicap, $2,000 added; 1 mile.

Hopkins Selling Stakes, $1,500 added; 1 mile.

Canvas Back Selling Stakes, $1,500 added; 3-4 mile.

Anne Arundel Selling Stakes, $1,500 added; 1 1-8 miles.

For Two-year-olds.

Annapolis Juvenile Stakes, $2,000 added; 3-4 mile.

Blue Point Selling Stakes, $1,500 added; 5 1-2 furlongs.

Steeplechases.

Chevy Chase Handicap, $1,500 added; 2 1-2 miles.

The Laurel meeting of last year was one of the most pronounced successes of the eastern turf, and that to come will even do better. Conditions are fully expressed in the advertisement appearing elsewhere in this issue.

INTEREST RUNS HIGH IN BUTTE RACING.

Record-Breaking Crowd in Attendance Yesterday —Spohn Wins Butte Handicap.

Butte, Mont., August 17.—The Butte Handicap, one mile, brought together five of the best horses quartered at the local course. Republican, Guarandola and Nimbus were withdrawn. This was the main event of the day and it proved a grand contest from start to finish. At one time during the running, going down the backstretch all the contestants were so closely bunched that they presented the appearance of a chariot team. After leaving the half mile post, Spohn, which held the lead, was challenged by Uncle Ben. Lochiel was running along the rail and the trio were all on equal terms an eighth from the finish. Not far away was the game little Enfield, which came with a rush to be beaten a scant head.

The first handicap given in Montana in recent years for two-year-olds was put on the card today by Judge E. C. Hopper. It was a closely contested race, with the top weights finishing in a bunch.

The racing as a whole was of superior quality, all of the races being keenly contested. The crowd attending was the largest that has ever been seen on the track at Butte.

Thomas H. Stevens, the veteran horseman, formerly of Kentucky, was stricken with pneumonia yesterday and taken to a local hospital.

The judges would not permit jockey McCloskey to ride Shooting Spray, feeling that he was not competent. Jockey Taplin was substituted.

Because of the shortage of riders the judges today lifted the suspensions against several who have been on the ground in order to permit them to ride in the Butte Handicap.

J. T. Ireland and G. H. Keene have returned from their trip to the vicinity of Juarez.

Jockey Parker was yesterday suspended for ten days by starter Morrissey for using abusive language.

WINDSOR'S ATTRACTIVE STAKE PROGRAM.

Good Horses Named to Contest Six Feature Events During Meeting Beginning August 26.

Detroit, Mich., August 17.—Six stakes will be decided during the autumn meeting at Windsor, beginning Monday, August 26. The total value of these events will be $7,800. With the overnight purse offerings, the distribution among the horsemen will total about $32,000.

None of the purses during the coming meeting across the river will be of less value than $500, while a number of the handicaps to be arranged from day to day will carry an added value of $600 to $700.

There are fifty-three nominations for the Ferry Handicap at one mile and a sixteenth, to be run on the opening day of the meeting. Out of this number a dozen or more will face the starter. Among the likely starters are Guy Fisher, Plate Glass, Bell Horse, John Furlong, Lahore, Star Charter, Froglegs, Altamaha, Cliff Edge, Leopold, Buckhorn and Countless.

The Essex Handicap, for two-year-olds to be run on Wednesday, August 28, has seventy-four nominations. Of this number the following are regarded as probable starters: Bunch of Keys, Rock View, Terrible Bill, First Sight, Great Britain, Brawny, Leochares, Confido, Lysander, Ambrose and Jewel of Asia.

Thirteen have been named for the Walkerville Steeplechase, to be decided Thursday, August 29, over the full course. They are High Hat, Prince Hampton, Lampblack, Ringmaster, Gun Cotton, The Shaughraun, Broadsword, Huck, Parade, St. Abe, The Welkin, Mutineer and Laomedon.

Twenty-two Canadian-bred horses are named for the Canadian Handicap, to be run on Friday, August 30. The list embraces Heresy, Tropaeolum, Marcovil, Amberite, Kilo, St. Bass, Ondramon, Joe Gaiety, Prince Polo, Denham, Powderman, White Caps, Commola, Pekisko, Le d'Or, Steam Boat, Smith Bowman, Havrock, Head Sea, Rustling, Court Belle, Purple China.

The St. Clair Handicap is for all ages and will be run on Saturday, August 31. It has an even fifty entries. Some of the more prominent are Helmet, Ta Nun Da, Buckhorn, Little Father, Knights Differ, Plate Glass, Dangerous March, Countless, Ivabel, Lahore, Belle Nelson, Brawny, Froglegs, Altamaha, Moisant and Ben Loyal.

The Windsor Stakes at one mile and an eighth will be run on Labor Day, September 2. There are forty-eight nominations to this selling fixture. The principal condidates include Brig, Bob R., Aldrian, Brosseau, Captain Swanson, Superstition, Injury, Dangerous March, Sandhill, Busy, Reybourn, Any Port, John Furlong, Volthorpe, Edda, John Reardon, Kate Kittleberry, Question Mark, Spellbound, Caliph, Idleweiss, Blackford, Leopold and Flying Feet.

The judges for the autumn meeting at Windsor will be the same as during the summer meeting: Charles F. Price and Francis Nelson. A. B. Dade will, as usual, spring the barrier and F. W. Gerhardy will be found in his customary place in the scales room. The judges, together with Secretary Walter O. Parmer, will assign the weights for the various handicaps.

TORONTO'S NEW HALF-MILE TRACK.

Toronto, Ont., August 17.—The inaugural race meeting will be held at the Toronto Driving Club's new Hillcrest track, at the foot of Wells' Hill to the west of the north end of Bathurst street, from Tuesday next until the following Tuesday, both days inclusive. Two months ago the property consisted of a vegetable garden surrounded by a quantity of waste land. It has now been transformed into a complete, up-to-date, well-equipped racing property. The track is of the half-mile sort, and was built under the supervision of W. M. Murray. It is egg-shaped, thus modifying the extreme turns customary on similar tracks.

Stabling for 150 horses has already been completed; and work is under way for the erection of 100 more stalls. Jockeys' rooms, trainers' rooms, cloak and coat rooms, in fact every accommodation that can be required has been provided. A covered stand has been erected to seat 2,500 people, while bleachers, built on the amphitheater style, will seat 2,500 or 3,000 more. A covered betting ring has been constructed back of the stands. A board walk leads to the grandstand from the entrance, which is situated at the terminal of the Bathurst, Dupont and radial car lines. Plenty of space is allowed for automobiles and carriages.

A prettier outlook, with the hills to the north covered with foliage and verdure, could not be desired. The property will be open for inspection on Monday morning. In the meantime the program for the first two days has been issued, and subsequent races will be arranged according to the requirements. No purse of less value than $300, while several of $400 and $500 each will me offered. Seven or eight races a day will be given, starting at 2 o'clock.

Alderman Samuel McBride is president, and J. H. Lock, secretary-treasurer. The officials of the meeting will be: Ed Cole, judge, with Mr. McBride associate judge; W. M. Murray, starter, and W. R. Norvell, racing secretary.

Most of the horses that took part in the recent Dufferin Park meeting are still here, having remained to participate in the racing at this new course.

FATAL ACCIDENT AT MONTREAL.

Jockey Cullen Loses His Life and Jockey Jost Is in Serious Condition as Result of Fall.

Montreal, Que., August 17.—A fatal accident marred the opening day of the King Edward Park Jockey Club's second meeting this afternoon, when, about thirty feet from the finish of the fourth race and in full view of five thousand spectators, jockey Small on Doll Boy, crowded Veno Von, jockey Cullen up, apparently causing the latter to go down. Pony Girl and Wilfred Gerdes, following closely behind, fell over the unfortunate jockey, piling up riders and horses in a struggling mass. Jockey Cullen was injured internally and expired on his way to the hospital, while jockey Joseph Jost, who piloted Pony Girl, is now lying unconscious in Notre Dame Hospital, suffering from concussion of the brain. Jockey Woods escaped with a severe shaking up.

Frog, winner of the seventh and feature race, was bid up $300 over his entered selling price of $200 by L. M. MacClemmy and his owner protected him.

Only two favorites were successful.

Ideal racing conditions prevailed.

CRACKS NAMED FOR OPENING FEATURE.

Derby Winners Galore Among Nominations for Douglas Park Inaugural Handicap.

Louisville, Ky., August 17.—Horsemen are deeply interested in the Douglas Park Inaugural Handicap, to be run on Monday, September 16. It will mark the re-opening of this beatiful racing park, which has been in disuse since the fall of 1908. The Kentucky State Racing Commission, which has placed the sport upon such a high basis in this state, is responsible for the re-opening of Douglas Park.

Since this course has been closed to racing it has been maintained as a training ground in conjunction with Churchill Downs, where fall and summer meetings have annually been held. There is, perhaps, no race track in all America better suited to horses and horsemen than Douglas Park. It has what many plants do not possess—an abundance of room. It would be possible to build stable accommodations at Douglas Park to house 2,000 horses. This could be done handily and there would be no crowding.

Douglas Park in its entirety is beautiful. The track itself is unequaled for the training and racing of horses. As noted a trainer as J. F. Schorr, who has developed Star Charter, Froglegs, Edda and other cracks, was heard to remark during the early summer in Canada: "No course equals Douglas Park as a training ground."

The Inaugural Handicap is at one mile and a sixteenth. Among the entries are no less than four Kentucky Derby winners in Wintergreen, Donau, Meridian and Worth. Then there are Free Lance, the Latonia Derby winner; Froglegs, the Hamilton Derby winner; Countless, winner of the last Saratoga Cup, and such other good racers as Sprite, Bell Horse, Brig, Mockler, Boola Boola, Starbottle, Bonnie Kelso, Princess Callaway, Mary Davis, Adams Express, Sun Queen, Granite, Any Port, Buckhorn, Presumption, John Furlong, T. M. Green, Star Charter and High Private.

Two horses, Lawrence P. Daley and Lady Esther, hold the mile and a sixteenth record at Douglas Park, made on the same day, October 10, 1908. The record is 1:46⅗. Lawrence P. Daley, then a three-year-old, had up 114 pounds, while Lady Esther, then a five-year-old mare, carried 105 pounds.

In looking over the entries to this race it is amazing to turfmen that such a great contest is in prospect for decision in Kentucky in the fall of the year.

Lyman H. Davis, secretary of the New Louisville Jockey Club, has his list of stake entries in the hands of the printers. He is now compiling the overnight events for the fall meeting, which begins on October 7. The book program will not be issued until after the final entries of the horses named to go in the Kentucky Endurance Stakes are made on September 2. Among the overnight races, all of which will be attractive, no purse being for less than $500 added money, is a two-mile race, which will be set to be run on the Saturday following the running of the Endurance Stakes. This event will be an extra attraction, with additional added money. The weights will be adjusted upon an all-aged basis but upon a lower scale all around than will prevail in the Endurance Stakes. Secretary Davis would like to make the race a handicap but he says there are not enough long distance races preceding it to give him a line upon all of the horses to enable him to properly adjust the weights in a two-mile race.

R. F. CARMAN'S ENDURANCE CANDIDATES.

Louisville, Ky., August 17.—It is understood at Douglas Park, where R. F. Carman's great band of racers is now in training, that his nominations for the Kentucky Endurance Stakes, the $15,000 event to be decided on October 7, the opening day of the nine-days fall meeting at Churchill Downs, will be the Kentucky Derby winner Meridian, The Turk and Merry Lad. Trainer Andrew Ewing rather inclines to the starting of Merry Lad in this, the richest turf prize in this country. He thinks Merry Lad embodies the ideal type of a long-distance horse. If properly conditioned, he thinks, Merry Lad will run almost all day at the pace required in a four-mile race.

Of course, Mr. Carman may overrule his trainer when he arrives at Louisville from his tour of Europe and order either Meridian or The Turk fitted for the Endurance Stakes. These two horses are to be the stars in Mr. Carman's new breeding establishment. Naturally he would like to retire either of them to the stud with the prestige of having won the Endurance Stakes. Both Meridian and The Turk have raced like horses able to travel over a considerable distance of ground. As to quality, they are top-notchers in the all-aged division.

Many have supposed that Bonnie Kelso would be named as one of Carman's entries in the race, but that big gelding has only been taking walking exercise for the last three months. Even should he stand training it would be impossible to get him ready for such a bruising struggle. Mr. Carman will be satisfied if Bonnie Kelso can run in races at one mile and a sixteenth or less distances this fall. He feels as if Bonnie Kelso, now a veteran, is deserving of an easy time henceforth. When Bonnie Kelso's turf career is at an end he will be pensioned on the Carman breeding farm.

Trainer Ewing will exert his skill to get Meridian ready for the Inaugural Handicap, worth $4,000, to be decided September 16, at Douglas Park. He believes no horse hereabouts has anything on the Kentucky Derby winner in a race at a mile and a sixteenth. At present there is no grander looking horse alive than this son of Broomstick. He is a horse of marked individuality. There are many turfmen who think that when Meridian is not asked to concede too much weight that no racer has a license to beat him on a suitable course. Like his sire, Broomstick, owing to having what is known as "shelly feet," he cannot do his best on a hard track.

Meridian is a horse of keen intelligence. As soon as the going begins to hurt his feet he shortens his stride and thereafter makes little effort to do his best. When the track has a good cushion, he shines. From seemingly a sulky horse he is transformed into a generous runner, with the speed of the wind.

FROGLEGS BREAKS RECORD

J. W. SCHORR'S CRACK THREE-YEAR-OLD RUNS MILE AND A QUARTER IN 2:04.

Reduces Hamilton Track Mark by Four-Fifths of a Second in Winning Hamilton Cup Handicap from Good Opposition.

Hamilton, Ont., August 17.—In winning from good opposition the Hamilton Cup Handicap, which served as the feature of the closing day of the Hamilton Jockey Club's second meeting, J. W. Schorr's Masseto—Frogmore colt demonstrated without a doubt that he is the best three-year-old in Canada. Froglegs ran the mile and a quarter in 2:04, reducing by four-fifths of a second the track record established by Cliff Edge August 19, 1911. McCahey had him under restraint in the early part of the race, called on him while rounding the turn for home and the colt, responding with a rush, speedily opened up a commanding lead and was not thereafter threatened. Guy Fisher, outrun in the early stages, closed a big gap and outgamed Chester Krum for second place. Plate Glass, the public choice, quit badly when the winner challenged him.

In the Juvenile Handicap, at six furlongs, Frederick L., well ridden, took a shifty band of youngsters into camp in handy fashion. He broke clear of all interference, and was rushed to the front under slight restraint, then drew away in the final furlong. Barnegat slipped through on the rail at the head of the stretch and easily disposed of Great Britain. The latter ran as if he was short of work and needed the race.

Jockey Joe Byrne was taken suddenly ill after the running of the fourth race and was forced to cancel the rest of his engagements.

James Clay's Dangerous March, which won the closing race, and entered to be sold for $800, was bid up to $1,300 and sold to J. W. Fuller, his former owner.

William Walker and J. W. Hedrick shipped their stables to Toronto this morning to take part in the meeting at the new Hillcrest half-mile track, which will open on Tuesday next.

Jockey Van Benschoten, who arrived from Germany a few days ago, had his first mount in the opening dash this afternoon when he piloted Planter.

A. G. Blakeley purchased from Martin Foley the three-year-old, Hughie Quinn, and will ship the horse to Havre de Grace. Mr. Blakeley now has jockey Byrne under his management.

Matt Feakes will give Mrs. Livingston's Sotemia a special preparation for the Kentucky Endurance Stakes, to be run at Churchill Downs October 7. Lovetie and Piccolata will also be trained for the same race.

Judge Joseph A. Murphy left for St. Louis tonight to arrange for the opening of the meeting which will be held over the new course that has been built in that city.

B. E. Chapman turned the filly Stick Pin over to J. W. Hedrick this afternoon, but afterward bought her back at an advance. She will be shipped to Toronto to race at the Hillcrest track.

Jockey Butwell will go to Windsor to ride for the Schorr stable in the event of his suspension being lifted.

The track at Hamilton this morning was fast, but few horses were out. Some of the best trials were:

Adams Express—Half mile in 48⅗.
Ambrose—Five-eighths in 1:04⅖.
Azyiade—Three-quarters in 1:16⅗.
Bounder—Mile in 1:44⅖.
Buskin—Five-eighths in 1:07⅖.
Calgary—Three-quarters in 35, 48, 1:01⅘, 1:14⅘.
Cliff Edge—Mile in 47, 1:00⅗, 1:13, 1:26, 1:39.
Con Curran—Mile in 1:45⅖.
Hersey—Three-quarters in 1:15⅖.
Housemaid—Three-quarters in 1:15.
Marybud—Mile in 1:43⅕.
Montcalm—Three-quarters in 1:18.
New River—Three-quarters in 1:16.
Sotemia—Mile in 1:43.
Star Charter—Mile in 1:42⅖.

IMPORTING JUMPERS FROM IRELAND.

Montreal, Que., August 17.—Another Montreal horseman has branched out more prominently in racing in J. Greer Chapman, who started his racing career with a registered partnership in the horse Ruble, now retired from racing. A few weeks ago Mr. Chapman sent an agent abroad to look for some likely racing material with the result that perhaps two of the best steeplechasers known in Ireland, where the "leppers" come from, were purchased, one being Doreen, a mare that is so well bred that when retired from racing she will be valuable as a broodmare. The other is Valiant Prince, by Red Prince II.—Valiant Woman.

A good figure was paid for this pair and they were shipped to Montreal more than a week ago, so that they are due here now, and will have an opportunity of being schooled before starting their Canadian career. These horses have been named for the stakes at the Blue Bonnets autumn meeting and at Toronto, and have been registered in Canada as Canadian-owned horses. They will make their debut this fall at Blue Bonnets.

Every year Irish-bred horses win fame as jumpers in England and France and the advent of Doreen and Valiant Prince will be viewed with interest by turfmen on this side. Both are five-year-olds, Doreen being a bay mare by Wabun—dam by Bacchus, while Valiant Prince is a bay gelding by Red Prince II.—Valiant Woman. Of the two the latter seems best. At any rate, he has won a steeplechase while Doreen has yet to be successful over the jumps, but was second to Field Marshal in her last start in Ireland, a two and a half miles journey across country at County Downs Steeplechase, March 14. Valiant Prince won the Farmer's Steeplechase of two and a half miles at Kells, March 18, and was once placed in his other two starts of this year. Last year as a four-year-old he started in two steeplechases and was second in both. In steeplechasing abroad a five-year-old is considered too young to do much with and such racing over obstacles as Valiant Prince and Doreen did in Ireland was probably in a fashion educational. Whether they are really good ones or not will be soon settled when they become actively engaged in our racing, but it may be assumed in advance that they will be found to be good and safe jumpers.

FITTING A FILLY FOR ENDURANCE STAKES.

Louisville, Ky., August 17.—The coming $15,000 Kentucky Endurance Stakes, to be run on Monday, October 7, at Churchill Downs, will have among its starters this season, for the first time, a filly which, when last on the turf in 1911, was rated as of the highest class. This is Swannanoa, owned by E. C. Cowdin, of Mt. Kisco, N. Y. Of recent years there have been few good long distance mares on the turf, but the time is not so far distant when mares outranked horses or geldings in covering long distances of ground. Unless Swannanoa is a good filly at four miles there is no mare now on the course showing a disposition to run such a race unless it be the Texas-bred mare, Meadow. The latter is not in this race.

It would be pleasing to horsemen to see this good looking daughter of Watercress capture this rich event, as her owner has long been a staunch patron of racing and has spent a fortune to secure a high class turf performer. As far as Swannanoa went as a three-year-old she raced brilliantly, winning three races and being only once unplaced. She seemed then to possess dazzling speed and to all appearances could stay as well. As an individual, she was one of the grandest looking thoroughbreds in training—a real picture type, with the length and leverage of the great Epsom Oaks winners.

In the old days mares figured remarkably in the running of four mile races. Nearly eighty years ago Black Maria and Ariel dominated such events. Trifle was another wonder of those times. Then there was Fashion. She defeated Boston, the greatest of all four-milers. She, in turn, was defeated by Peytonia, another mare. It was not long, then, until the remarkable Idlewild appeared. Afterward came such stars at the distance as Jeannette, Katie Pease, Mollie McCarthy and Ferida. The record for four miles is 7:11 and is held by Lucretia Borgia, a mare. Until Lexington and Lecompte appeared, mares had the better of the argument with horses in four-mile races. Old timers will always say that Fashion was Boston's superior, although it is admitted that when she met him he was in the decline of his career.

When Idlewild ran her great four-mile race she defeated a great horse in Jerome Edgar, and when Katie Pease ran her four-mile race for a $20,000 stake in California she beat every good horse at the distance in this country. This she accomplished in heats.

A wonderful performer at long distances in recent years was Mamie Algol. She would one day win a short race at a mile and a sixteenth, for instance, and in a day or two after beat all the cracks at three and four miles. Her Thornton Stakes performance at Oakland, Cal., in 1907, will always be referred to as one of the greatest long-distance races ever decided in America. She lost that event to Los Angeleno, but her defeat was due to the superior handling of Los Angeleno by W. Knapp. For the last two miles the pair ran head and head for the entire distance. The gameness that Mamie Algol displayed under an inferior ride probably has never before nor since been duplicated in this country. Mamie Algol was beaten by a nose. Mamie Algol's record at three miles at City Park, New Orleans, is 5:19, and is still the record for the distance.

In reviewing the brilliant record of long-distance mares, as noted, it is seen that E. C. Cowdin may not be doing an unwise thing in fitting Swannanoa for the Kentucky Endurance Stakes. Fillies and mares are at their best in October. It was in that month that Firenzi beat the marvelous Hanover. It was in the fall that Miss Woodford defeated such stars as George Kinney, Eloe and the Epsom Derby winner, Iroquois.

Swannanoa is now four years old and may be called a matured mare. She never has been raced excessively, has been given every attention in her long retirement and it may be that she will develop into an Idlewild or a Katie Pease in the Kentucky Endurance Stakes by leading to the finish all of the noted performers of the opposite sex that race against her

Swannanoa probably will have to meet in this race that trio of great three-year-olds, Free Lance, Froglegs and Worth, all Derby winners, and such four-year-olds as Star Charter and Meridian, as well as such a superior five-year-old as The Turk. Then, too, there is Messenger Boy, winner of the event last fall.

The horses that will compete in this race on October 7 will break all records as to quality in such a contest. The entries, which will be named on September 2, are sure to embrace almost every good horse now in training. Such a rich stake is now rarely heard of in America and all of the leading turfmen are keen to win the honor as well as the money and the $1,000 gold cup, donated by the Kentucky State Racing Commission.

BUYS HORSES FOR FRENCH RACING.

New York, August 17.—Dr. Robert W. McCully, acting for George B. Eustis, has purchased Shackleton and Mongolian from Matthew M. Allen at Gravesend yesterday. The amount paid was not disclosed by either party to the transaction. The horses will be shipped to William P. Burch, the veteran horseman, who will prepare them at Benning, D. C., for the coming meeting at Havre de Grace.

Shackleton, a four-year-old chestnut colt by Watercress—St. Orion, is a fast sprinter. Mr. Allen has been giving the colt a long, steady preparation. Mongolian is also a Watercress. He is a four-year-old chestnut gelding out of Lychee Nut, and recent trials indicate that he is an improved horse. Mr. Allen took Mongolian from Gravesend to Sheepshead Bay for a work-out last week, and the easy manner in which he worked a mile in 1:43 showed that he possesses speed.

Mr. Eustis, who is a member of the Jockey Club, raced many stake winners in the nineties of the last century. It is Mr. Eustis' intention to ship Shackleton and Mongolian to France in the late fall. Alfred Noble, the steeplechaser bought by Mr. Eustis from Ivan Fox a few days ago, will be shipped to France on August 24.

FREE LANCE'S CONDITION IMPROVES.

Star of Long Stable May Be Only Temporarily Affected—Many Interesting Items from Louisville.

Louisville, Ky., August 17.—The best work at Churchill Downs or Douglas Park today went to the credit of the two-year-old filly, Cream, in the stable of C. C. Van Meter. She worked a half mile in :48⅘, running the first three furlongs in :36. Mr. Van Meter also worked the two-year-old colt, Nobby, and he went a half mile in :49⅕, running the first three furlongs in :36⅘. He was paced by the three-year-old Cash on Delivery and the pair ran head and head all the way. The best mile of the day was done by Nicias, which ran the distance in 1:44, running the first half in :50⅘ and six furlongs in 1:17⅗. Gold of Ophir went six furlongs in 1:17, covering the first five furlongs in 1:03⅘. Her stable companion, Tillie's Nightmare, worked the same distance in 1:18⅗. The latter ran the first five furlongs in 1:04⅕.

Trainer Peter Coyne worked two fillies, Madeline and Jaffa, both two-year-olds, a half in :50. They went the first three furlongs in :36⅘. The only other work worth recording was six furlongs by Mobile Belle in 1:21, and five furlongs by Jean Gray in 1:10. The former went the first half of her work in :51⅗ and the five furlongs in 1:05⅕, while the latter ran her first half in :53⅘. M. C. Prichard has two likely fillies here. He is going along slowly with them and it is probable neither of them will race before the Douglas Park meeting.

Trainer J. C. Cahn received an interesting letter today from jockey Vincent Powers, who is now riding in France. The letter was dated August 5 and was mailed from the Maisons Laffitte race course near Paris. Powers has been there for seven months and is well pleased with his new surroundings, he having become skilful in riding jumpers. He is in the employ of Eugene Wishard, a brother to the celebrated American trainer, Enoch Wishard. The latter states that Norman Kennedy, who rode so long in this country for J. R. Wainwright, and has been some six weeks in France, has made up his mind to remain abroad, and Powers seems to think Kennedy will do well in that country. Powers first tried Germany, but he did not like it nearly as well as he does France, for the reason, he states, that there are so many Americans in Paris. On the day he wrote there were thirty-six race tracks on which races were being run in that country and thirty-five hundred horses are in training on these courses. They race all the year around, but in the winter the sport is chiefly hurdle and steeplechase races. Powers wrote as if he had no intention of returning to America for several years.

In the band of horses Charles Rowe has in training for Otto Stifel of St. Louis are two two-year-olds that are attracting much attention on account of their near relationship to two great horses. One is a brother to Jack Atkin and the other is brother to the Suburban Handicap winner Nealon. The former is on the small order, unlike his brother, who is one of the giants of the turf in stature, but the brother to Nealon is a colt of fair size. All of the Rowe lot are doing nicely at Douglas Park.

Free Lance appeared to be much better in his stall at the Long stable at the Downs this morning. The fever had disappeared from his leg, though there was still some little swelling around the tendons. Dr. Harthill is to look over the injured leg tomorrow and see what he thinks of the injury. Yesterday there appeared signs of a slight bow of the tendon, but today the tendons looked normal. Trainer Coyne said today that if the leg continued to get better he hoped to be able to work the great three-year-old again in a week or ten days. He admitted, however, that Free Lance could be considered out of his early fall engagements.

W. H. Baker, L. H. Adair and Grover Baker will be on hand for the fall meeting at Douglas Park. Adair & Baker have nominated Busy for the Cardinal Stakes and the Douglas Park Inaugural, and intend to start Ella Bryson in the Autumn Stakes. Busy was secured by the claiming process after Colonel Ashmeade had been taken away from them. Grover Baker, who trained Colonel Bob and Prince Ahmed for Ed. Alvey, the local turfman, with great success, has no horses at the present time, but expects to purchase a couple of thoroughbreds at Lexington.

Dodo Fisk, who has been racing on the Canadian circuit this season, will try his luck on the Kentucky tracks for the first time this fall. He is the owner of Wintergreen, a Kentucky Derby winner, which is an eligible for the Douglas Park Inaugural, which will be run on Monday, September 16. Mr. Fisk purchased the bay gelding from Rome Respess for $1,000 at a time when the son of Dick Welles appeared to be hopelessly broken down, but under careful training Wintergreen has returned to racing condition.

James P. Ross, who has charge of the Kentucky Association track at Lexington, and who was popular with race officials and turfmen, will ship six horses to Louisville on September 12. His horses will be stabled at Douglas Park. Mr. Ross raced Delaney with considerable success.

Lee Christy, who handled Minnie Adams, Lawrence P. Daly, George C. Bennett and other great horses for Fred Cook, the bookmaker, will race here this fall. He has written Frank Bruen, secretary of Douglas Park, requesting stable room for four horses. He writes that he has a promising maiden in his string.

W. J. Young, the Lexington turfman, who formerly owned Plate Glass, now one of the greatest racers in America, will ship ten horses to Douglas Park at the conclusion of the Lexington meeting. Manager Mack, which finished fourth in the Latonia Derby, being beaten a neck by Worth for the small end of the purse, is the star performer in his string. Manager Mack lacks just a trifle of being of stake class.

William McDaniel, brother of Henry McDaniel, who trained for R. L. Thomas with great success, will be in Louisville for the fall racing. Mr. McDaniel trained for William Gerst, the Nashville brewer, for a number of years. McDaniel has six horses.

G. W. J. Bissell, the wealthy Pittsburg stove manufacturer, will race only a few horses this fall. He has cut his string down to five head. In the spring he raced nineteen horses, but a majority lacked quality, and they have been sold. Mr. Bissell did not make any stake nominations this fall, realizing that his horses all belong in the plater division. He races for the pastime, and announces that he will have a string of better quality next season.

Barney Schreiber, famous throughout the racing world as the owner of Jack Atkin, will have six horses quartered at Douglas Park this fall. All are selling platers, his two-year-olds both this season and last having failed to show up as well as usual. Turfmen relate a good story about Mr. Schreiber and jockey A. Brown, who formerly rode for the Missoui turfman. Brown rode a bungling race on Jack Atkin in the east, being beaten by Fleming. A few months later Brown approached Mr. Schreiber for a small loan. "I will not loan you anything, Brown," said Mr. Schreiber; "but if you can explain to me how you happened to let Fleming beat Jack Atkin, I will make you a present of a hundred."

Fletcher Driver will try to win a race or two with Holzberg, a two-year-old, this fall. This is the only horse now owned by the Lexington turfman, who recently sold Floral Day to Wayne Joplin for $1,500.

Frank D. Weir, owner of Miss Edith and five other fair platers, including Helene, will be on hand this fall for the meeting at Douglas Park. Mr. Weir trained Roseben when the "Big Train" was at his best.

William F. Schulte, former president of the Louisville Jockey Club, and who is spoken of as the probable manager of the Charleston plant in the event that there is racing at Palmetto Park the coming winter, will make a bid for the Autumn Stakes at Douglas Park with King Olympian, which has a high turn of speed whenever he extends himself. Mr. Schulte will also race Capitan Bravo in the selling dashes.

Lon Johnson and T. P. Hayes are busy as bird dogs in November at Douglas Park getting their horses in condition. Mr. Johnson's chief reliance will be Puck, while Mr. Hayes says that if La Mode does not win a race before the meeting is many days old, he will be ready to return to the farm.

Labold, formerly the property of J. C. Milam, and now owned by W. J. Speirs, will be raced again this fall at all of the Kentucky tracks. As a two-year-old Labold always showed great early speed, but could never be trained to stick it out. In the spring trainer Speirs began to send Labold over a considerable distance of ground and the horse showed that he could hold his own with most of the selling platers.

Louis P. Doerhoefer's horses are going along satisfactorily in their training and are counted upon to make a good showing this fall. Mary Davis is the star of the lot. This six-year-old daughter of Watercress has not won a race this year, which is hardly in keeping with her past record. It is understood that Mr. Doerhoefer is entertaining an offer for some of his thoroughbreds, but it is doubtful if he sells as he seems to derive much pleasure from the sport.

Francis J. Pons will enjoy the distinction of racing the most extensive string on the Kentucky tracks this fall. He will have twenty-four horses in training at Douglas Park, and nearly all of them are capable of winning a race when properly placed. Judge Wright is the star of the lot. He has been sick, however, and probably will not race this fall.

Thomas Fortune Ryan, the eastern millionaire, will have his colors represented in the Prospect Stakes, which will be decided at Douglas Park on Wednesday, October 2. He has nominated Nelly Agnes, a trim looking daughter of Monsieur de L'Orme and Rock Fish, a sturdy son of Ellisdale. Both of these juveniles raced at Latonia. Nelly Agnes ran disappointingly during the first part of the meeting, having bad luck in several races, but she finally graduated from the maiden class. Trainer Hughes thinks that Rock Fish will prove to be a useful three-year-old. Daingerfield will carry the Ryan colors in selling races over considerable distances of ground.

J. W. (Bub) May will ship his racers from Hamilton next Monday to Lexington and upon his arrival there he will devote his attention to keying up the good horse, Countless, for the $4,000 Inaugural Handicap, one mile and a sixteenth, to be decided at Douglas Park on September 16. Both trainer May and J. G. Greener, owner of the son of The Commoner, look for the little red horse to race better in Kentucky than he has on the Canadian tracks. His racing up there has, it is thought, thoroughly seasoned him after a long retirement. With a race or two at Lexington he will be as thoroughly fit for the Inaugural as any horse in training. It is believed that the Douglas Park track, which has a good cushion, will just suit him and enable him to run as he did when he raced in such sparkling style as a three-year-old. When at his best Countless has all of the characteristics of a superior racer. He can sprint with the fastest and stay as well.

Dan Lehan is not willing to concede that any horse is bound to distance Sir Catesby when it comes to running four miles. Both he and A. Humphrey, Jr., owner of the black gelding, say that Sir Catesby will surely be a starter in the $15,000 Kentucky Endurance Stakes, at Churchill Downs, on Monday, October 7. They think he will at least get a part of the rich prize.

At Douglas Park, Nobby and Cream, in the stable of C. C. Van Meter, are training as well as any youngsters in these parts. Each has a brilliant turn of speed and in their most recent trials they have shown that the can stay as well. Mr. Van Meter will sell out to retire to a farm in the vicinity of Bowling Green, Ky. He wants a snug price for this pair.

T. P. Hayes is going along with sixteen horses that he has in training at Douglas Park. La Mode, a filly in his stable, owned by J. S. Barbee, is doing exceptionally well. She has heretofore been a hard-luck proposition. Last spring at the Downs and at Latonia five times in succession she ran second. She should have won several of these races.

NOTES OF THE TURF.

N. Macfarlane's Cliff Stream and Moss have arrived at Blue Bonnets.

Dave O'Leary will leave Sheepshead Bay for Havre de Grace Monday with a dozen horses belonging to Charles Kohler

Joseph E. Davis' string of nine has left Long Island for Pimlico to take part in the Maryland United Hunts meeting.

A. J. Goldsborough will ship fourteen horses from Gravesend to Havre de Grace on Wednesday and Matt Allen's stable of eight will go at the same time. The following day the Quincy Stable's string of fourteen will go.

W. J. Speirs probably will ship the string of H. Benzinger to Churchill Downs or Douglas Park from Latonia within the next week. Labold is in this stable and another racer which Mr. Speirs has in charge that has been doing well since he was gelded is the three-year-old son of Broomstick, Patruche.

Jockey C. Ganz, of E. R. Bradley's stable, and a brother of jockey Goose, has returned to Kentucky from Canada and is resting for the Kentucky fall meetings, though he may go to Windsor to ride for a day or two during the second meeting at that place, which begins on August 26. The Bradley stable will race at that meeting and then be shipped to Lexington.

Weber and Ward have eight horses in training at Latonia and they will probably go to Lexington to race. In the collection are the likely two-year-old Solar Star and the older horses Console and Gay Bird. The stable's jockey, R. Goose, is now at Latonia, after having spent the summer at Louisville. Solar Star has not raced since last spring. He is training well.

Good News

To my scores of old clients and to prospective new ones, I wish to state that I have just completed arrangements to get hold of information on two or three extra good-priced horses during the Butte and Anaconda race meetings. We expect 8 or 10 to 1 on at least two or three of them, and, as I do not care to send these particular ones out except in code, I ask you to please send me your name at once. I will have something good to send you nearly every day from now on, odds ranging from 2-1 up to 8 or 10 to 1. If you answer this ad. you'll have to expect the short-priced ones along with the long shots, as I only have one service, and treat all clients alike. I always file my wires with this paper hours before the race.

REMEMBER—I am right here where I can mingle with horsemen, and talk matters over with my connections frequently; therefore my success is not to be wondered at.

PAY AFTER YOU WIN

If you are on the square and will agree to play $2 to win for me on each wire I send you and remit winnings of same to me by express letter promptly after the race, send me your correct name and address today where message will reach you at any time, and I will begin sending you winners. No postal cards recognized.
